

SELFLESS LISTENING

“ Once I Stopped Telling And Started Listening, Everything Changed ”

Through highly engaging, interactive workshops and keynote presentations, Dave Cooke shares a powerful message about the power of effective communication through a methodology he calls “**Selfless Listening.**”

Born out of his extensive experience in sales and executive coaching, and refined by his journey with his youngest son’s heroin addiction, Dave has committed to this process to “*Building Communities that Listen*” which:

1. Engages Teams
2. Enhances Problem Solving Abilities
3. Improves Performance And Results
4. Strengthens Relationships

- Improve collaborative interaction
- Facilitate engaged learning conversations
- Provide a platform to share and exchange ideas
- Build trust and improve understanding
- Proactively facilitate change
- Enhance teamwork and communication
- Identify obstacles to growth and improvement
