

BUILDING COMMUNITIES THAT LISTEN

“Redefining Outcomes by Changing
the Conversation”

Through highly engaging, interactive workshops and keynote presentations, Dave Cooke shares a powerful message about the impact of effective communication through a methodology he calls “**Selfless Listening.**”

Born out of his extensive experience in sales and executive coaching, and refined by his journey with his youngest son’s heroin addiction, Dave is committed to this process of “*Building Communities that Listen*” which:

1. Engages Teams
2. Enhances Problem Solving Abilities
3. Improves Performance and Results
4. Strengthens Relationships

- Improve collaborative interaction
- Facilitate engaged learning conversations
- Provide a platform to share and exchange ideas
- Build trust and improve understanding
- Proactively facilitate change
- Enhance teamwork and communication
- Identify hidden obstacles to growth and improvement
